High - End - Audio

Development / Production / Distribution Made in Germany

non-binding sales price list netto

Almost every item is also available as a demonstration unit / display item or custom-made!

Remaining stock / custom-made products

- TA 845 E full warranty, new, minor optical defects
- TA 845 V full warranty, new, minor optical defects
- LS-Secundo Piano finish RAL 3003 / new / minor optical defects (custom made)
- TubeOne (Special design without phono section) / black /used /
 Year of manufacture 12/2005 / tested / 1/2 year warranty
- MCÜ10/15 full warranty, new, minor optical defects
- MCÜ20 full warranty, new, minor optical defects

tube amplifier / converter / loudspeaker 1/24

	article	Tube amplifier	RTnetto
EU	TA1200_deluxe	High-End HiFi tube mono amplifier of the superlative pair with power triodes 3-500Z	98.000
	TubeOne_deluxe	matching tube preamplifier of superlatives / the next generation Delivery times for these two units are approx. 1/2 year	26.000
	TA300SE	"reference" push-pull mono power tube output stage pair	19.243
	TA120SE TubeOneSE	"reference" push-pull stereo power tube output stage tube preamplifier (phono: MM and MC), loudness, headphone output	12.521 9.160
		single-ended power amplifier (E) and integrated amplifier (V) in rectangular housing, these available with remote control (optional). Integrated amplifier with headphone jacks and LS/KH changeover switch. Many power tubes with 3 socket variants possible: UX4 for e.g. 300B, 2A3, 811, Octal for e.g. 6550, KT88, KT150, EL156, EL34, 6AS7G, Sp4 for e.g. 845, 805, 211,	
	Z.B.: TA 845 E TA 845 V TA 300B E TA 300B V Fernbedienung	Stereo power amplifier with 845, also switchable as parallel mono integrated amplifier with 845 / without remote control Stereo power amplifier with 300B, also switchable as parallel mono integrated amplifier with 300B / without remote control Surcharge for remote volume control, incl. encoder	6.639 7.143 6.639 7.143 270

Customized tube amplifiers of all kinds: development and manufacturing on request, see also special designs

NEU

Customized transducers of all kinds: development and manufacturing on request, see also special designspush-pull (PP) power amplifiers (E) in rectangular housing. Many power tubes with 3 socket variants possible:

• UX4 for e.g. 300B, 2A3, 811, ...

Octal for e.g. 6550, KT88, KT150, EL156, EL34, 6AS7G, ...

Z.B. TA 845 PP TA 300B PP • Sp4 for e.g. 845, 805, 211, ...

Mono power amplifier in push-pull, approx.

Mono power amplifier in push-pull, approx. 70 W pair 14.000 Mono power amplifier in push-pull, approx. 35 W pair 14.000

article D/A-converter RTnetto

NEIL

DAC32/384

up to 32 bit / 384 KHz - D/A- converter incl. active tube low-pass, switchable to solid state

3.782

Kundenspezifische Wandler aller Art: Entwicklung und Fertigung auf Anfrage, siehe auch Sonderanfertigungen

article	loudspeaker			RTnetto
LS-Secundo	3-way bass reflex system with ribbon tweeter.	Pair	je nach Furnier ggf. Aufpreis	18.900
	Surfaces: all available veneer woods or industrial lacquering Piano finish of best quality, e.g. high gloss black		je nach Furmer ggr. Aurpreis	3.500

Customized loudspeakers of all kinds: development and production on request

line filter / power strip / phase detector / mc transformer 1/24

	article	mains filter / PowerConditioner	RTnetto
	DF-1 +	Double mains filter (analog / digital) for the complete system, 2 sockets, d.cisolator against annoying transformer hum.	831
	DF-2	2-stage mains filter especially for band equipment, studios, cinema,	831
NEU	NF-3 NF3+ NF-3TR/16A P-16-C	power conditioner: mains filter + d.cisolator, switch-on sequencer, 12 sockets for digital + analog equipment, remote control for extra charge like NF- 3, additional stby circuit, remote controllable like NF-3, additional transformer/isolating transformer - electronics, incl. remote control, especially for studios, cinema, PowerConditioner: elaborate mains voltage regulator complete = sine correction + voltage stabilizer + mains filter + DC voltage suppression + LCD display (voltage curves), power-on sequencer, 12	2.092 2.260 4.687 9.160
		sockets for digital + analog devices, incl. remote control	
	article	Power strips	RTnetto
	SLN 4/90° SLN 6/90° SLN 8/90° Filterleiste Zuleitung Farbwechsel diverses	4-fold bar, cans rotated 90°, length 36 cm, 1.5 m special net cable. 6-fold bar, cans 90° rotated, length 47 cm, 1.5 m special net lg. 8-fold strip, sockets turned 90°, length 58 cm, 1.5 m special netltg. + integrated 16 A mains filter incl. overvoltage protection Surcharge longer supply lines: Surcharge / m Surcharge for color other than black, e.g. "standard silver-grey". switch (possible for SLN 4 / 6 / 8) instead of socket surcharge Overvoltage protection Surcharge Angle Schuko plug Surcharge	372 422 472 105 25 58 24 24 24
	article	Phase detector	RTnetto
	PDV03	Phase detector for determining the correct phase polarity Approved in Europe	334
	article	Tuning	RTnetto
NEU	MCÜ10/15 MCÜ20	MC- transformer/stereo, Cinch or XLR in/out / \ddot{u} = 10 or 15 MC- transformer/stereo, Cinch or XLR in/out / \ddot{u} = 20	1.500 2.000

Large stock of tubes available, also old original tubes.

Repairs and modifications to all kinds of equipment!

"Tuning components"

High-quality transformers, high-voltage capacitors, mica capacitors, induction-free resistors, power transformers, sockets, covers, shielding cups, anode caps, ...

In principle, we can supply almost any type of tube.

We will not publish a current and complete list because of the variety of types and practically daily stock changes.

Therefore: Please ask for prices specifically, we will be happy to advise you on request.

Terms of delivery and payment in B2C business / excerpt

- 1. Our non-binding prices (RTnetto) are in Euro without VAT and apply per piece, unless otherwise stated.
- 2. The delivery time is 2-30 AT depending on the item. This does not apply to custom-made products. Here, the delivery time is agreed individually with the customer when the order is placed. Partial deliveries are permissible. Unforeseen obstacles to delivery entitle the seller to cancel the delivery obligation in whole or in part. Claims for damages by the buyer are excluded in this case.
- 3. Transport risk: at the expense of the seller during transport to the buyer
- 4. The goods remain the property of the supplier until full payment. Invoices are payable according to agreement / order confirmation.
- 5. Foreign deliveries are payable in advance only.
- 6. Special orders must be paid according to the order confirmation.
- 7. Distance selling-if applicable: Your right of withdrawal is 14 days after receipt of goods. Only the value of the goods will be taken into account. All returned goods must be in perfect condition. The shipping costs are to be paid by the buyer first. Components that have already been already installed or soldered, and cut or meter goods are excluded from exchange. excluded.
- 8. Warranty: the statutory warranty period of 2 years from delivery applies. Excluded from the warranty are damages caused by improper use, fuses, and tubes (we still provide 1/2 year warranty on tubes).
- 9. Other agreements shall only become valid if they are confirmed by the seller in writing. confirmed by the seller in writing.
- 10. German law shall apply. The place of jurisdiction and fulfillment is Mönchengladbach Local Court.
- 11. The invalidity of individual conditions shall not affect the validity of the remaining conditions.
- 12. Pursuant to the Data Protection Act, it is pointed out that data from business transactions are stored in the stored in the computer system of the seller, as long as they are needed for the processing of the contract.

Dear interested party,
